ACTION 1

AN APPROACH TO
BALANCE YOUR SKIN AND
MEET ANTI-AGEING NEEDS

The exclusive 2PBS complex helps restore and maintain the optimal conditions for skin balance using **PRE & PROBIOTICS**, preventing premature ageing.

The harmony of **PRE & PROBIOTICS** helps fight infections, prevent environmental damage, boost immunity, regulate pH levels and keep our skin healthy.

THE RESULTS?

Your skin is:

- PROTECTED
- RECOVERED
- HEALTHIER

THE PIONEERING HEALTHY- AGEING SKINCARE COLLECTION WITH PRE & PROBIOTICS

PHYSIO RADIANCE is a pioneering healthy-ageing skincare collection developed in Switzerland. Combining cutting-edge formulas with advanced skincare technology, this luxury beauty solution is infused with the exclusive 2PBS complex, a powerful combination of pre & probiotics that helps restore and maintain optimal conditions for skin balance. Amplified by a blend of carefully selected ingredients, Physio Radiance delivers the ultimate protection and complete skin wellness while preventing signs of ageing.

With Physio Radiance, glowing and youthful skin is finally at your fingertips.

CLEANSE OUT THE TENSE

GENTLE FOAMING CLEANSER 1

An ultra-mild cleanser for your face with a soft, mousse-like texture. Provides a gentle yet deep cleansing.

Directions for use:

Splash your face with water. Apply a single pump into the palm of your hand and add water to form a creamy foam. Apply the cleanser by gently rubbing your hands along your entire face, then thoroughly rinse with water.

BOOST UP CONFIDENCE 2 BOOSTING ESSENCE

A hydrating antioxidant lotion rich in nourishing active ingredients that visibly improves skin elasticity. Tightens your skin and efficiently prepares it for subsequent treatments.

Directions for use:

Apply a few drops in the morning and evening to freshly cleansed face and neck.

LIFT UP YOUR SPIRIT

FIRMING & LIFTING DOUBLE SERUM 3

I: BRIGHTENING AND LIFTING

This high-performance serum helps to significantly reduce and prevent the appearance of fine lines and wrinkles. Rich in ingredients that promote natural firming, lifting, and correcting hyperpigmentation and uneven skin tone.

II: FIRMING AND HYDRATING

Intensively hydrating serum and deeply penetrating skin booster. Acts against wrinkles caused by dehydration and skin imperfections. Improves skin firmness and elasticity.

Directions for use:

Use twice a day, in the morning and evening, on freshly cleansed skin. Apply one pump of (I) Brightening & Lifting Serum and gently massage until fully absorbed. Follow up with a single pump of (II) Firming & Hydrating Serum, and gently massage until fully absorbed.

BEAUTY SHINING THROUGH YOUR EYES

4 REPAIR EYE CREAM

With an ultra-light, fast-absorbing texture, it helps reduce the appearance of wrinkles as well as existing age spots. Your skin around the eye area will look even younger and more radiant.

Directions for use:

Apply to the area below the eyes, gently tapping with fingertips to encourage absorption.

SAY HELLO TO A BRIGHTER DAY

RESTORING DAY CREAM 5

A high-performance lightweight cream that brings out the brightness in your skin and helps to prevent ageing. Keeps your skin fully hydrated and more elastic. A perfect solution for moisturising and nourishing your skin.

Directions for use:

Apply in the morning on cleansed face and neck, after application of the Physio Radiance Firming & Lifting Double Serum. Massage until completely absorbed.

BRING BACK YOUR YOUTH OVERNIGHT

6 REGENERATING NIGHT CREAM

A rich and soft cream designed to nourish and moisturise your skin overnight. Infused with powerful anti-ageing ingredients that help to reduce the appearance of fine lines and wrinkles, as well as give your skin a fantastic glow.

Directions for use:

Apply in the evening on cleansed face and neck after applying Physio Radiance Firming & Lifting Double Serum. Massage until completely absorbed.

Start Glowing Now!

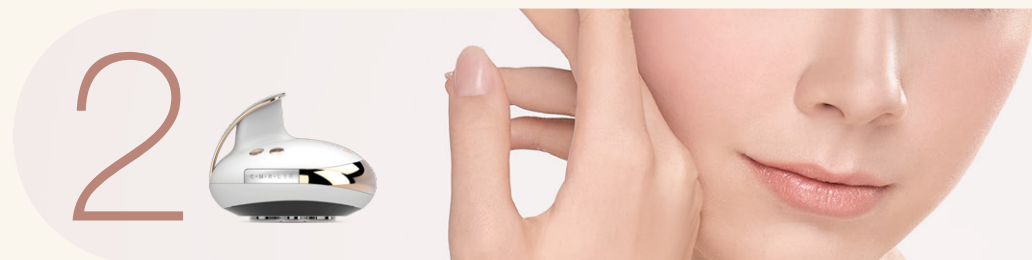

PHYSIO RADIANCE VISAGE⁺ provides the most advanced, safe and non-invasive treatment by harmonising 4 types of technology.

ELECTRICAL MUSCLE STIMULATION
(EMS)

EMS helps tighten your skin, promotes facial elasticity, as well as gives you a facelift. It also increases muscle strength by improving skin firmness and tone, ultimately reducing facial fat.

RADIO FREQUENCY
(RF)

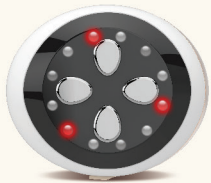

RF helps smoothen fine lines by stimulating facial tissue to produce new collagen and elastin.

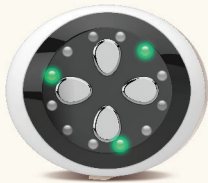

CHROMO THERAPY

Light Therapy is great for calming irritation and brightening the skin. It's also a brilliant approach to trigger your body's natural cell processes, to accelerate rejuvenation and repair the skin. It is recommended for skin rejuvenation, treating sun damage, fighting acne-causing bacteria, inflammatory conditions, scarring, plumping the skin, and reducing wrinkles.

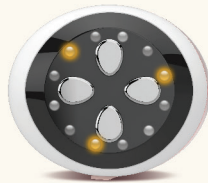

Red Light

- Improves firmness
- Stimulates the production of collagen and elastin
- Increases blood circulation

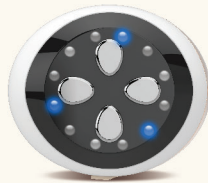

Green Light

- Reduces skin pigmentation
- Brightens skin
- Reduces fine lines

Yellow Light

- Smoothens skin
- Reduces redness

Blue Light

- Improves acne and prevent breakouts
- Calms skin by reducing excessive sebum

GALVANIC TECHNOLOGY

This technology helps deep cleansing process while providing intense hydration. It increases the effectiveness of Physio Radiance in moisturising your skin and also helps deliver the product's ingredients deep into your skin.

A PERFECT COMPANION

VISAGE+ PURIFYING GEL

The ideal cleanser to use in combination with the Physio Radiance Visage+. This light, water-based gel removes all impurities and make-up without altering the cutaneous hydro-lipidic balance. The skin appears clean and its complexion uniform.

Directions for use:

Apply to face and neck, spreading the product evenly. Use with Visage+ device, then rinse off with warm water.
