Radioactivity Report

Items Analysed	Product Name	:	Bio Disc
	Description	:	Round Clear Glass
	Diameter	:	90mm
	Thickness	:	10mm

Date Analysed	:	05 Jan 2010
Equipment used	:	Sodium Iodide Detector from Target Instrument
Software	:	LabTMCA 6.0

Result:

Trace amount of low energy radioactive materials were detected from sample.
As it has only low radioactive energy emission, the samples should not cause any health effect to human body.
