“ Thank you so much for the recent holiday to Crown Regency Beach Resort Boracay, Philippines, where I stayed with my mates to witness our friend's wedding. We booked 2 rooms for 4 nights for 4 people in the QVI XchangeWorld resort.

We had such an incredible stay while there. The hotel was right on the beach, the infinity pool overlooked the amazing sea with the sunsetting in front of the hotel and while we were able to enjoy great island of Boracay for the special occasion. Truly amazing group holiday that we will look back with fond memories.

Two of the guys wanted to stay an extra night and the cost of the extra night booking direct at the hotel was what I got the package for the 4 nights / 2 rooms for. Such a saving. Can't wait for my next QVI holiday. Thank you QVI Club! ”

IR David Loftus

“ This is my 5th experience with QVI properties. Until now I was not disappointed . I am now staying in Turtle on the Beach Kovalam.

This is an amazing beach resort and really well maintained one. It's worth every penny I have spent for club membership . Thanks QVI Club for this amazing resort. ”

IR Prahlad Bhatt

“ I was very happy to visit one our Home Resort property in Prana Resort & Spa, Koh Samui, Thailand. I was warmly welcomed upon arrival, experienced excellent service and reverent and thoughtful attitude from the staff during my whole stay. All these treatments were so sincere from the staff that I want to come back here again and again! Clean, comfortable and cozy room with an incredible view, additional advantage is the location and close proximity to everything that can be offered to the tourists by the lively city.

With its convenient location, the hotel offers an easy access to the most popular tourist destinations in the city. I advise to visit this piece of paradise where you can be away from the hustle and bustle and enjoy a real holiday. ”

TESTIMONIALS

“ First of all I want to tell you that I am a travel consultant and I was so amazed by the QVI Club limited collection properties, as I stayed 3 nights in Arcadia Suites, Bangkok and 4 nights in Citrus Parc, Pattaya.

Regarding the QVI Club agent who handled my booking, he was a professional staff.

Regarding the whole trip . I was so lucky as it was exactly as I planned and more. Both hotels were so luxurious with unique locations. ”

IR Mr Diaa Eldin Azab

“ It is an another awesome QVI Club experience of luxury after enjoying at G Hotel, Penang, Malaysia. The resort, Turtle On The Beach in Kovalam is situated very close to the beach and quite easily accessible. We reached in the late evening and welcome to the resort was done in the traditional style. The check-in until the check-out was so smooth transition that we didn't have anything to worry rather focus shifted to enjoy for next 3 days.

Next day morning where we started seeing and enjoying the actual luxury of it, lavish breakfast followed by swimming. Complete family enjoyed their thoroughly and then it comes to available indoor games - TT, Carrom, Pool and Chess hold us for quite a long period.

Resort staff was also very helpful 24/7 to make the stay nice and comfortable.

Evening was a soothing performance of classical music which helped us to forget whole day long tiredness and helped to rejuvenate. Restaurant also have quite a lot of options for breakfast, lunch and also dinner so there was nothing to look out for food.

So I can say that the resort holds all the things what a guest look for, peace, comfort, luxury and entertainment. I will definitely plan to visit again. ”
