

COULEURS

Colour your moment.

Couleurs is a young, one-stop beauty solution for any woman looking for that burst of personality from her makeup experience. Today's beauty trends are constantly changing and Couleurs allows you to transform your makeup routine with a cool new class of fresh products.

Exclusively available from **QNET**

LIPSTICK

Drape your lips with the range of 12 colours from Couleurs lipsticks that will make you look good and feel great. Experience a blast of colour with a single touch as its fine and light formula leaves your lips feeling velvety soft. Whatever your fashion or mood, these shades are firm and give an intense and lasting colour to the lips. Couleurs lipsticks make it easy to achieve a glamorous pout to complete your look.

EYESHADOW

Six pre-harmonised colour palettes to make your eyes look their brightest. Couleurs eyeshadows are soft and easy to apply for true colour clarity in one smooth swipe. These colours will bring out the artist in you, no matter what the occasion. Whether you want a dark and smokey, fresh and vibrant, or a totally funky look, these eclectic colours will do the job. Create glorious looks with eyeshadows that range from sophisticated nudes to intense, bright colours.

Warm, natural-looking powder blush from Couleurs brings a natural colour to your skin. Sweep over cheekbones, brow bones, and temples, or anywhere light naturally touches the face to let the real you come through. Add colour and freshness to your cheeks with this perfectly pigmented blush for a long-lasting rush of colour. What better way to contour your face and show off those angles for a sharp and crisp looking finish while providing an enviable glow.

POWDER

Couleurs powder flawlessly complements your skin's tone and texture reducing the appearance of creases and lines. Inspired by the look and feel of gorgeous skin, this powder has a soft texture that feels smooth and comfortable. This cashmere-like powder delivers a buffed, polished finish and lasting wear in a convenient compact. Add a touch of sheer radiance by applying over moisturiser or foundation to brighten your face instantly for a fresher look.

BLUSH
