Pearl Icons Collection

Eternally precious

With its perfect shape, bright mirror-like lustre and pure white colour, the pearl is a timelessly elegant gemstone symbolising class and femininity. The Akoya pearl, a saltwater cultured pearl from the Akoya oyster (*Pinctada fucata martensii*), is considered a classic choice for necklaces and other jewellery.

Akoya pearl oysters typically produce just two pearls per harvest, making these beads rarer than their freshwater cousins and unquestionably more precious. Ensuring only the finest precious Akoya pearls are processed within our designs, we bring the traditional pearl up to date with a fashionable flair and hint of modernism.

Pearl Size (mm) : 7.5-8

A close-up portrait of a woman with light brown hair and green eyes, looking directly at the camera. She is wearing a dark pink or rose-colored dress. Her right hand is raised near her face, with fingers slightly spread. On her left wrist, she wears a delicate gold bracelet with two rows of small beads and a single large pearl in the center.

Greta Bracelet

A gentle touch of class

Feel the richness of the finest Akoya pearl as it decorates your wrist, while resting on a stylish gold bangle and chain, resembling pure brilliance.
