## THE POWER OF THREE

Physio Radiance Visage+ is one of the very first facial treatment devices that utilises and combines three revolutionary skin treatment technologies; Galvanic technology, Radio Frequency and Chromotherapy.

### PHYSIO RADIANCE REPLENISH VISAGE+ GEL

#### *For Clearer and More Refined Skin*

The Physio Radiance Replenish Visage+ Gel is designed to be the perfect companion for the Physio Radiance Visage+. Used together with the device, the Gel deeply cleanses the skin and purifies facial pores by removing excess traces of toxins and oil held within the deep layers of the skin. It also helps increase blood circulation while rejuvenating and tightening facial tissue.

#### KEY BENEFITS

- Deep cleanse the skin.
- Alleviate oily and congested skin conditions.
- Refine skin texture.
- Increase blood circulation.
- Rejuvenate and tighten the skin.
